Strategies to Increase Parental Involvement

Development of Policy

Data gathered from the surveys will be analyzed and compiled along with other data from the comprehensive needs assessment to determine the overall effectiveness of the targeted assistance policy.

- Involve parents in the development of the Targeted assistance Title I Policy

Shared Responsibilities for High Student Performance

WEST SIDE ELEMENTARY SCHOOL shall develop a school-parent-student compact. The compact shall outline how administrators, school faculty, parents, and students will share responsibility for improved student achievement. It will also provide means by which the school and parents will build a partnership to help students achieve the state's high academic standards. Compacts will be provided (as practical) in languages that parents can understand. Compacts will be discussed with teachers at the beginning of each year. Teachers will then discuss compacts with their students and obtain student signatures. Compacts will be signed by parents. After parents have signed the compact, it **should** be returned to that student's homeroom teacher. Teachers and the administrator will then sign the compact which will be kept on file to be used during parent-teacher or student-teacher conferences.

Home-school compacts will be revised annually as needed. Parents will be invited to submit input in writing or to attend revision meetings.
